Enthusiastic and detail-oriented Software Developer with hands-on experience in App development and real-time application design. Proficient in Web and Android Technologies including – React-Native and Kotlin.

Experience

Freelance Software Developer
January 2024 – present
- Developed a portfolio site for a YouTuber/data scientist, integrating features like blogs, contact forms, and video/project listings via multiple APIs.
- Improved user engagement through a clean, responsive design and integrated SEO best practices.

Web developer Internship,
MotionCut Video Studio
November 2023 – December 2023
- Designed and implemented a sophisticated e-commerce application with advanced product filtering and dynamic listings.
- Utilized MongoDB for cloud-based data management and implemented asynchronous data exchange for real-time product information updates.

Technical Skills

Programming Languages: JavaScript, TypeScript Kotlin, Golang, C/C++, Python, Rust.

Databases: MySQL, MongoDB, PostgreSQL.

Frameworks: React-Native, Reactjs, Express.js, Nodejs, Expo, Nextjs, Redux, Zustand.

Tools and Technologies: Android Studio, Git/Github, JWT, Tailwindcss.

Coursework: Data Structures and Algorithms, Operating Systems, Computer Networks.

Projects

Rango - Ride Hailing Android App

- **Technologies Used:** React-Native, MongoDB, Express, Mapbox Maps API
- Developed a ride-hailing application with features like OTP-based authentication and integrated mapping for navigation.
- Managed data storage and server-side logic, ensuring secure and efficient data handling.
- Checkout the Project at - https://github.com/Abhineshh/rango

Video Streaming Mobile App

- **Technologies Used:** React-Native, Expo, Appwrite[BaaS].
- Through App the users can stream the latest video of other users/creators
- User can upload their own videos to share with others on the app.
- Checkout the project at – https://github.com/Abhineshh/koby

Certification
- Kodacy JavaScript Certification - Link

Education

BCA- Bachelor of Computer Application,   -8.6 CGPA
@ East Point College of Higher Education
